

There are moments in our lives that shape who we will become.

Today is one of those moments for Miracle Foundation.

With great enthusiasm and confidence, we announce the appointment of **Kusum Mohapatra** as our Regional Director in India.

Kusum excels in creating and growing programmes at scale in complex contexts. She's been leading programs and large teams for the last 23 years. After 11 years working in rural parts of Odisha, she spent 8 years as a part of Senior leadership helping grow Magic Bus into an international force for change. Her last stint was as the President of Sampark Foundation, working to transform India's complex educational system impacting over 10 million children. Tough, smart and talented, we cannot imagine an individual more qualified to help us expand our impact.

We are thrilled to have a visionary leader like Kusum join the team. We look forward to seeing sustainable positive impact on the children we serve and helping more children move from Child Care Institutions and into loving families.

Welcome, Kusum!
