

## THIS MOTHER'S DAY

Give  
The Gift Of Love  
To A Child

Dear %%first\_name%%,

The Mother's Day month is here! So have you decided on a special gift for this super special person in your life? If not, could we suggest honoring her with a gift that truly matters?

We, at Miracle Foundation India, invite you to extend a hand of support to the children who crave the safety and affection of a loving family, and who are yearning to be back in the warmth of their homes. Separated from their families due to circumstances beyond their control, they're left vulnerable and without a place to call home.

Your support can play a pivotal role in creating safe, stable homes where children can thrive, and lead meaningful and productive lives!

Now can there be a sweeter token of appreciation for your Mom on her special day?

Warm regards,
